Weekly tax table

Including instructions for calculating monthly and quarterly withholding

FOR PAYMENTS MADE ON OR AFTER 1 JULY 2012

From 1 July 2012, the temporary flood and cyclone reconstruction levy (flood levy) will no longer apply.

WHO SHOULD USE THIS TABLE?

You should use this table if you make any of the following payments on a weekly basis:

- salary, wages, allowances and leave loading to employees
- paid parental leave to an eligible worker
- director's fees
- salary and allowances to office holders (including members of parliament, statutory office holders, defence force members and police officers)
- payments to labour hire workers
- payments to religious practitioners
- government education or training payments
- compensation, sickness or accident payments that are calculated at a periodical rate and made because a person is unable to work (unless the payment is made under an insurance policy to the policy owner).

Also use this table for payments made to foreign residents.

Other tax tables may apply if you made payments to shearers, workers in the horticultural industry, performing artists and those engaged on a daily or casual basis.

This tax table includes instructions for calculating withholding for payments made on a monthly or quarterly basis. For more information, see page 4.

For a full list of tax tables, visit our website at **www.ato.gov.au/taxtables**

Alternatively, we have a calculator to help work out the correct amount of tax to withhold from payments to most payees. To access the calculator, visit our website at **www.ato.gov.au/taxwithheldcalculator**

This document is a withholding schedule made by the Commissioner of Taxation in accordance with sections 15-25 and 15-30 of schedule 1 to the *Taxation Administration Act 1953*. It applies to withholding payments covered by Subdivisions 12-B (except sections 12-50 and 12-55), and 12-D of schedule 1.

NAT 1005-05.2012

Australian Government
Australian Taxation Office

Why are withholding rates changing?

The government has changed personal income tax rates so most individuals will have less tax withheld from their pay.

For more information, refer to *Household assistance package – tax reforms* (NAT 74144).

Can you use a formula?

The withholding amounts shown in this table can be expressed in a mathematical form.

If you have developed your own payroll software package, you will need to refer to *Statement of formulas for calculating amounts to be withheld* (NAT 1004) available on our website at **www.ato.gov.au/taxtables**

TAX FILE NUMBER (TFN) DECLARATIONS

The answers your payees provide on their *Tax file number declaration* (NAT 3092) determines the amount you need to withhold from their payments. A *Tax file number declaration* applies to any payments made after you receive the declaration. If you receive an updated declaration from a payee, it will override the previous one.

If a payee does not give you a valid *Tax file number declaration* within **14 days** of starting a payer/payee relationship, you must complete a *Tax file number declaration* with all available details of the payee and send it to us.

What if a TFN has not been provided?

You must withhold 46.5% from any payment you make to a resident payee and 45% from a foreign resident payee (ignoring any cents) if one of the following applies:

- they have not quoted their TFN
- they have not claimed an exemption from quoting their TFN
- they have not advised you that they have applied for a TFN or have made an enquiry with us.

If a payee states at question 1 of the *Tax file number declaration* they have lodged a *Tax file number – application or enquiry for individuals* (NAT 1432) with us, they have **28 days** to provide you with their TFN.

If the payee has not given you their TFN within **28 days**, you must withhold 46.5% from any payment you make to a resident payee and 45% from a foreign resident payee (ignoring any cents) unless we tell you not to.

Do not allow for any tax offsets or Medicare levy adjustment. Do not withhold any amount for:

- Higher Education Loan Program (HELP) debts
- Financial Supplement (FS) debts.

What if your payee is under 18?

There is no requirement for payees who are under 18 years of age to provide you with their TFN, provided that the payment you make to them does not exceed:

- $350 per week (if you pay weekly)
- $700 per fortnight (if you pay fortnightly)
- $1,517 per month (if you pay monthly).

How do changes to the tax-free threshold affect your payees?

From 1 July 2012:

- payees who claim the tax-free threshold will have less tax withheld from their pay
- payees who do not claim the tax-free threshold will have more tax withheld from their pay.

A payee can claim the tax-free threshold only from one payer at a time, generally from the payee's main source of income.

If your payee believes that for their circumstances the amount you withhold will be too much, they may apply to us for a variation to reduce the amount of withholding.

For more information, refer to *PAYG withholding – varying your PAYG withholding* (NAT 70791) available on our website at **www.ato.gov.au**

What if your payee is a foreign resident?

If your payee has answered **no** to the question 'Are you an Australian resident for tax purposes?' on their *Tax file number declaration*, you will need to use the foreign resident tax rates.

There are two ways you can withhold from a foreign resident's earnings:

- If they have not given you a valid TFN, you need to withhold 45% for each $1 of earnings (ignoring any cents).
- If they have given you a valid TFN, you need to withhold the amount calculated in the foreign resident tax rates below, rounding any cents to the nearest dollar.

Foreign resident tax rates

Weekly earnings $	Weekly rate
0 to 1,538	32.5 cents for each dollar of earnings
1,539 to 3,462	$500 plus 37 cents for each $1 of earnings over $1,538
3,463 and over	$1,212 plus 45 cents for each $1 of earnings over $3,462

Generally, foreign resident payees cannot claim tax offsets. In limited circumstances, they may be entitled to claim a zone or overseas forces offset. If your foreign resident payee has claimed a tax offset on the *Tax file number declaration*, you don't need to make any adjustments to the amount you withhold.

WITHHOLDING DECLARATIONS

A payee may use a *Withholding declaration* (NAT 3093) to advise you of a tax offset they choose to claim through reduced withholding from you. For more information, see page 3.

Payees can also use a *Withholding declaration* to advise you of any changes to their situation that may affect the amount you need to withhold from their payments.

Changes that may affect the amount you need to withhold include:

- becoming or ceasing to be an Australian resident for tax purposes
- claiming or discontinuing a claim for the tax-free threshold
- advising of a HELP or FS debt, or changes to them
- entitlement to a seniors and pensioners tax offset
- upward variation to increase the rate or amount to be withheld.

When your payee provides you with a *Withholding declaration* it will take effect from the next payment you make. If you receive an updated declaration from a payee, it will override the previous one.

A valid *Tax file number declaration* must be in place before your payee can provide you with a *Withholding declaration*.

What if your payee has a HELP or FS debt?

If your payee has an accumulated HELP or FS debt, you may need to withhold additional amounts from their payments. Your payee will need to notify you of this on their *Tax file number declaration* or *Withholding declaration*.

To calculate additional withholding amounts for:

- HELP debts, refer to *Higher Education Loan Program weekly tax table – including statement of formulas for calculating weekly and monthly withholding* (NAT 2173)
- FS debts, refer to *Student Financial Supplement Scheme weekly tax table – including statement of formulas for calculating weekly and monthly withholding* (NAT 3306).

If your payee has not given you their TFN, do not withhold any amount for HELP or FS debts.

ALLOWANCES

Generally, allowances are added to normal earnings and the amount to withhold is calculated on the total amount of earnings and allowances.

For more information, refer to *Withholding from allowances* (NAT 5448).

LEAVE LOADING CHANGES

There is no longer a separate withholding scale for payees who are entitled to leave loading and they will no longer have higher withholding from every pay. These payees will now be taxed more accurately when the leave loading is paid.

Previously, the leave loading scale provided for extra withholding throughout the year to allow $320 of leave loading to be tax-free when paid.

If you pay leave loading as a lump sum, you now need to use *Tax table for back payments, commissions, bonuses and similar payments* (NAT 3348) to calculate withholding.

If you pay leave loading on a pro-rata basis, then add the leave loading payment to earnings for the period to calculate withholding. That is, instead of the one lump sum payment, you make multiple payments during the year when leave is being taken.

HOLIDAY PAY, LONG SERVICE LEAVE AND EMPLOYMENT TERMINATION PAYMENTS

Payees who continue working for you

You must include holiday pay (including any leave loading) and long service leave payments as part of normal earnings, except when they are paid on termination of employment.

For more information, refer to *PAYG withholding – calculation sheet – holiday and long service leave payments for continuing employment* (NAT 7138).

Payees who stop working for you

This tax table does not cover any lump sum payments made to a payee who stops working for you.

If a payee has unused annual leave, leave loading or long service leave, refer to *Tax table for unused leave payments on termination of employment* (NAT 3351).

Any other lump sum payments may be employment termination payments, refer to *Tax table for employment termination payments* (NAT 70980).

Do not withhold any amount for HELP or FS debts from lump sum termination payments.

CLAIMING TAX OFFSETS

If your payee chooses to claim their entitlement to a tax offset through reduced withholding, they must provide you with a *Withholding declaration*.

To work out the payee's annual tax offset entitlement into a weekly or monthly value, use the 'Ready reckoner for tax offsets' on page 4. For weekly payments deduct the weekly amount from the amount shown in column 2 of the table on page 5. For the monthly value, deduct the monthly tax offset amount from the withholding amount calculated for monthly payments. If you pay monthly, see page 4.

Do not allow for any tax offsets if any of the following apply:

- you are using column 3
- you are using foreign resident rates
- when a payee does not provide you with their TFN.

EXAMPLE

A payee has weekly earnings of $563 and, if using column 2, the amount to be withheld is $48.

The payee claims a tax offset entitlement of $1,000 on their *Withholding declaration*.

Using the 'Ready reckoner for tax offsets' on page 4, the weekly value is $19.

The total amount to be withheld is worked out as follows:

Amount to be withheld on $563	$48.00
less weekly offset value	$19.00
Total amount to be withheld	**$29.00**

MEDICARE LEVY ADJUSTMENT

To claim the Medicare levy adjustment available to some low income earners with dependants, your payee must lodge a *Medicare levy variation declaration* (NAT 0929) with their *Tax file number declaration*.

Some payees may be liable for an increased rate of Medicare levy or the Medicare levy surcharge as a result of new income tests. They can lodge a *Medicare levy variation declaration*, requesting you to increase the amount to be withheld from their payments.

For instructions on how to work out the Medicare levy adjustment, refer to *Medicare levy adjustment weekly tax table* (NAT 1010).

HOW TO WORK OUT THE WITHHOLDING AMOUNT

To work out the amount you need to withhold, you must:

1. Add any allowances and irregular payments that are to be included in this week's pay to the normal weekly earnings, ignoring any cents.
2. Find your payee's total weekly earnings in column 1.
3. Use the appropriate column to find the correct amount to withhold. If your payee is
   - claiming the tax-free threshold, use column 2
   - not claiming the tax-free threshold, use column 3.
4. If your payee has an end-of-year entitlement to a tax offset, use the 'Ready reckoner for tax offsets' shown on page 4 to convert the payee's estimate of their full-year entitlement into a weekly offset value. Then subtract this value from the withholding amount found in step 3.
5. If your payee is entitled to make an adjustment for the Medicare levy, subtract the value of the adjustment, determined from the *Medicare levy adjustment weekly tax table* (NAT 1010) from the amount found in step 4.
6. If your payee has advised you of a HELP or FS debt, add the amount determined from the *HELP weekly tax table including formulas for calculating monthly withholding* (NAT 2173) or *SFSS weekly tax table including formulas for calculating monthly withholding* (NAT 3306) to the amount you calculated in step 5.

Do not allow for any tax offsets or Medicare levy adjustment if any of the following apply:

- you use column 3
- you use foreign resident tax rates
- when your payee has not provided you with their TFN.

EXAMPLE

A payee has weekly earnings of $563.60.

To work out the correct amount to withhold, ignore cents, use column 1 and find $563.

If the payee is:

- claiming the tax-free threshold, use column 2 to find the correct amount to withhold ($48).
- not claiming the tax-free threshold, use column 3 to find the correct amount to withhold ($148).

What if there are 53 pay periods in a financial year?

In some years, you may pay your payees 53 times instead of the usual 52. As this table is based on 52 pays, the extra pay may result in insufficient amounts being withheld. You should let your payees know when this occurs so if they are concerned about a shortfall, they can ask you to withhold the additional amount in the table below.

Weekly earnings $	Additional withholding $
700 to 1,549	3
1,550 to 3,449	4
3,450 and over	9

What if you pay monthly?

To work out the amount to withhold from monthly payments:

1. Work out the monthly gross earnings. Where this amount ends in 33 cents, add one cent.
2. Multiply the monthly gross earnings by 12.
3. Divide this figure by 52 to obtain the weekly gross amount (ignore any cents).
4. Use the appropriate column to find the withholding amount.
5. Multiply this withholding amount by 52 and then divide by 12 to obtain the monthly withholding figure.

EXAMPLE

A payee has monthly earnings of $2,250.39

1. Gross monthly earnings are $2,250.39
   $2,250.39 × 12 = $27,004.68
2. $27,004.68 ÷ 52 = $519.32
   ($519 ignoring cents)
3. Amount using column 2 on $519 is $39.00
4. $39 × 52 = $2,028.00

   $2,028 ÷ 12 = $169.00 withholding for the month.

A *Monthly withholding table* (NAT 1007) is available from our website at **www.ato.gov.au/taxtables**

What if you pay quarterly?

To work out the amount to withhold from quarterly payments:

1. Multiply the quarterly gross earnings by 4.
2. Divide this figure by 52 to obtain the weekly gross amount (ignore any cents).
3. Use the appropriate column to find the withholding amount.
4. Multiply this withholding amount by 52 and then divide by 4 to obtain the quarterly withholding figure.

EXAMPLE

A payee has quarterly earnings of $21,526.48

1. Gross quarterly earnings are $21,526.48
   $21,526.48 × 4 = $86,105.92
2. $86,105.92 ÷ 52 = $1,655.88
   ($1,655 ignoring cents)
3. Amount using column 2 on $1,655 is $406.00
4. $406 × 52 = $21,112.00

   $21,112 ÷ 4 = $5,278 withholding for the quarter.

Resident income tax rates from 1 July 2012 (not including Medicare levy)

338	6.00	28.00	**3000**	57.00	249.00

If the exact tax offset amount claimed is not shown in the ready reckoner, add the values for an appropriate combination.

EXAMPLE

Tax offsets of $422 claimed. For a weekly value add values of $400, $20 and $2 from the weekly value column.
= $8.00 + $0.00 + $0.00
= $8.00

Therefore, reduce the amount to be withheld from weekly payments by $8.00.

PAYG WITHHOLDING PUBLICATIONS

You can access all PAYG withholding tax tables and other PAYG withholding publications quickly and easily from our website at **www.ato.gov.au/paygw**

Copies of weekly and fortnightly tax tables are available from most newsagents. Newsagents also hold copies of the following:

- *Tax file number declaration* (NAT 3092)
- *Withholding declaration* (NAT 3093).

Where the tax-free threshold is claimed and your payee earns:

- more than $3,275 but less than $3,461, withhold $1,030 plus 38.50 cents for each $1 of earnings in excess of $3,275
- more than $3,460, withhold $1,102 plus 46.50 cents for each $1 of earnings in excess of $3,460.

Where the tax-free threshold is **not** claimed and your payee earns more than $3,275, withhold $1,178 plus 46.50 cents for each $1 of earnings in excess of $3,275.

For all withholding amounts calculated, round the result to the nearest dollar.
